VOICE OF PASSION
THE REAL HEROES.

A make-up artist & MBA Professional.
MS. ADITI SINGH

Inspired by her
Mother's wedding look.

When it comes to make-up there is no such hard and fast rule applied. I always do what my client want hand in hand which looks natural also.

Inspired by Bollywood.
Tara from movie Marjavaa.

Make-up is my passion and I discovered it in 2017 when I went for make-up course. I really enjoyed that whole process of doing make-up. Being a make-up artist I feel like I'm using myself for those who wants to look their best. and eventually it applies on me. Make-up is not a layer which will make you flawless. It's just for a time, it will cover your problematic areas for a while till you were that make-up.

I am grateful I realized my passion and it's never too late to recognize your passion anytime soon.

Blessed that I'm doing what I want to do either it's my corporate job or my passion of make-up. Amending on I will not say that I'm pro make-up artist but there are things which I'm learning and I'll be learning.

***ENJOY WHAT YOU DO. IT WILL
MAKE THE THINGS EASIER.***
